

Sharps Home Collection Program

With many people managing their healthcare needs at home, Agnesian HealthCare offers the safe disposal of needles, syringes and lancets.

In Fond du Lac and surrounding communities, Agnesian HealthCare is offering residents a free Sharps Home Collection Program, thanks to a generous donation by the Agnesian HealthCare Foundation.

Residents requiring the use of sharps can receive free red needle disposal containers from the Agnesian Health Shoppe (327 Winnebago Drive), Fond du Lac Regional Clinic (through valet parking staff or the clinic Information Desk), Waupun Memorial Hospital or any Fond du Lac Regional Clinic satellite office.

When the red needle disposal container is full, participants can drop it off at either the Fond du Lac Regional Clinic's main entrance (give container to one of the valet parking staff members between 8 a.m. and 4 p.m.), Waupun Memorial Hospital's Emergency Department, or at any of the following Fond du Lac Regional Clinic satellite locations during daily operating hours:

- | | |
|-------------------------------------|--|
| • Agnesian Convenient Care Clinic | 145 N. Main Street, Fond du Lac |
| • Agnesian EZ Care | 1107 E. Johnson Street, Fond du Lac |
| • Brandon Clinic | 601 E. Clark Street, Brandon |
| • Brownsville Clinic | 900 Main Street, Brownsville |
| • Campbellsport Clinic | 350 E. Sheboygan Street, Campbellsport |
| • Fond du Lac Regional Clinic South | 421 Camelot, Drive, Fond du Lac |
| • Fond du Lac Regional Clinic West | 912 S. Hickory Street, Fond du Lac |
| • Fox Lake Clinic | 703 W. State Street, Fox Lake |
| • Markesan Clinic | 1175B N. Margaret Street, Markesan |
| • Mayville Clinic | 360 S. Mountin Drive, Mayville |
| • Mt. Calvary Clinic | 100 S. County W, Mt. Calvary |
| • North Fond du Lac Clinic | 723 Park Ridge Lane, North Fond du Lac |

Staff will then provide a new red needle disposal container at no cost.

Through the Sharps Home Collection Program, Agnesian HealthCare is working with the State of Wisconsin Department of Natural Resources to facilitate safe disposal of sharps in our community. For more information on the Sharps Home Collection Program, call Agnesian HealthCare at (920) 926-4971 during regular business hours.

Sharps Disposal Safety Tips

Agnesian HealthCare is proud to offer a free Sharps Home Collection Program, which provides for the safe disposal of needles, syringes and lancets.

To ensure the safety of those we serve, along with the safety of our employees, we ask that you follow these important guidelines:

- Please use the red needle disposal containers provided by Agnesian HealthCare.

Residents who have not received a disposal container as a patient of Agnesian HealthCare can pick up one from our valet parking staff at the main Agnesian HealthCare entrance or from any other Agnesian HealthCare needle collection site (see reverse side for complete listing).

This is the container you will use to discard any needles.

- Place the container in a safe area and out of the reach of children.
- Please do not cut off needles when placing them in the container.
- When the container is filled, close the container lid. To lock, push down on the two tabs located on the top of the lid. For your protection, please be sure that needles are not exposed before you close the lid.
- Take the container, securely fastened, and personally give it to one of our valet parking staff at the main Agnesian HealthCare entrance (8 a.m. to 4 p.m.) or take to one of the other Agnesian HealthCare needle collection sites during hours of operations.
- Please contact Agnesian HealthCare's Environmental Services at 926-5648 for any additional related needle safety information.
