

## Sharps Disposal

### Aurora Pharmacy

#### Sharps exchange program

As an added service for purchasing your diabetic supplies at any Aurora Pharmacy, we are happy to exchange your sharps containers for you free of charge.\*

To help us provide the best service possible, please remember:

- We can only accept containers that are 3/4 full. This means the syringes should be at or slightly below the "full" line.
- The plastic lid must have the lock tab snapped into place.
- Please do not place the container on the pharmacy counter, Aurora Pharmacy staff will put on gloves and take the container from you.
  
- An initial sharps container may be purchased for a \$5 fee.
- For diabetic supplies purchased elsewhere, there is a \$5 fee.

### Aurora Laboratory

#### Sharps exchange program

As a service to community members Aurora Laboratory is happy to exchange your sharps containers for you free of charge.

- We cannot accept sharps for disposal in a plastic jug or coffee can.
- We can only accept sharps/syringes/lancets for disposal in a certified sharps container. (If you do not have a certified sharps container the laboratory will provide one to you free of charge).
- The plastic lid must have the lock tab snapped in place.
