

Community Narcan Training

Do you use opioids/heroin or know somebody that does?

We need YOUR HELP to save lives. Scan the QR Code with your phone's QR app to take an anonymous survey that will help create programs to serve the community and those most affected by opioid use. Flip the flyer over for paper survey. Return completed paper survey to the FDL Health Dept. or bring to a Narcan Training.

2018 NARCAN TRAININGS

Attend a Narcan training and receive two naloxone (narcan) kits.

Learn how to respond and safely use Naloxone, a medication that can reverse an opioid overdose that may occur if using heroin or prescription pain medication.

To sign up for a **FREE** Narcan Training: call FDL County Health Department at (920) 929-3085.

Limited space available! Sign up is not required, but encouraged.
