<ul style="list-style-type: none"> • Where are we with the Social Host Ordinance and where do we want to go • Adult Alcohol & Drug Court <ul style="list-style-type: none"> ▪ Update on numbers • Community Event Best Practices <ul style="list-style-type: none"> ▪ Meeting with PDs and Event organizers following events 	<p>No appeal, no press release, quiet response. Two bills will be introduced in January – bills are competing, 1 from western side of the state addressing issues of premises. Ellen Sorensen, Mark Strand, Janet Lloyd went to Green Bay and worked through specifics of what is a premises, what happens when an underage drinker hosts the event. Social Host ordinances in FdL County were as high as \$1327; proposed legislation may limit fines to a range of \$500-\$1000. Andre Jacque talked about his definition of premises in GB, he is looking for co-signers, Ellen asked him to partner with other legislators. DFC will choose one of the two competing bills to back</p> <p>Melissa is out on medical leave, 12 participants, 1 graduating next week to bring the overall total to 4 graduates, program working well to separate true addiction from criminal behavior</p>	<p>No action at this time. Wait and see.</p> <p>DFC members are invited to attend the graduation program in December.</p>	DFC Staff

<ul style="list-style-type: none"> • Social Marketing <ul style="list-style-type: none"> ▪ Ripon College Communications class ▪ Marian University • Compliance Checks <ul style="list-style-type: none"> ▪ Update • Review of suggested CHIA Alcohol community health plan • Introduction of Place of Last Drink program • https://dl.dropboxusercontent.com/u/391768045/CHIA%20Strategy%20Map.html 	<p>Ellen met with FDL Festivals and FDLPD representative to discuss Fondue Fest, DFC will not be wristbanding at Fondue Fest next year there were differing opinions on what makes for a "successful festival." Discussion of the roll of law enforcement at festivals - some think city police are responsible for monitoring lack of wristbands. Ellen suggests they recruit wristbanding volunteers from NAMI; we will continue to evaluate for best practices. DFC will offer training to volunteers wristbanding.</p> <p>College/university a new student orientation program is being developed for incoming students and families on alcohol policies and binge drinking risks. The program would be developed to be scalable and adaptable for other colleges and universities such as UW Oshkosh and Marian. Discussion about how program works between residential and non residential colleges/universities.</p> <p>FDLPD has all 120 compliance checks completed, 29% failure rate</p> <p>Discussion concerning the accuracy of the data with schools moving in and out of participation.
