Updates	<ul style="list-style-type: none"> November Meeting Minutes approved More conversations about safe-injection sites/needle exchange programs are happening – marks progress towards community being more open to ‘new’ ideas on addressing opioid and other drug use Partnership Agnesian ED and Dodge Co. pilot program ED2Recovery, recovery coaches meet with people who overdose and are in the ED. 	none		
Narcan Trainings	<p>Upcoming training on Jan 23 2018 at 6pm at Forest Mall Press release next week Tuesday by Health Dept.</p> <ul style="list-style-type: none"> - Include it is safe and non-judgmental space and no-names are required, you can remain anonymous - Also announce nasal narcan will be available - 30 kits available <p>Survey Monkey – error with QR Code https://www.surveymonkey.com/r/BSTSMLJ</p> <ul style="list-style-type: none"> • <u>Intended audience for survey is individuals who use heroin/opioids or individuals who have close friend/family member that does</u> <p>Narcan Flyer Distribution list sent around</p> <p>Supply list – lap top, projector, ext. cord, pens Resource tables – SSM Health/Agnesian, other treatment services Narcan Access Info. to share with attendees:</p> <ul style="list-style-type: none"> • Don’t need a prescription to purchase it (but a doctor can write a prescription) • Medical assistance covers it • Cost ranges from ~\$80 -\$200 (depending on type) 	<p>press release</p> <p>Fix QR code</p> <p>Distribute Flyers</p> <p>Gather supplies</p>	<p>Kim M.</p> <p>Sarah/Rebecca</p> <p>Everyone</p> <p>Sarah & Michelle</p>	<p>Already fixed</p> <p>Before 1/23</p>

	<p>Set up for Narcan Training @ 5:30pm on 1/23/18</p> <p>Tables and chairs – available at mall. Rebecca confirmed with Blake (Forest Mall contact) that there will be 3-4 tables and chairs in storefront we are using.</p>	<p>Set up tables, chairs, lap top & projector</p> <p>Reminder Call to Forest Mall before training</p>	<p>Sarah, Michelle, & Jennifer</p> <p>Rebecca</p>	
Harm Reduction Data Collection	<p>Alex provided update on data to be collected; group agreed on the list of data to be collected: opioid overdoses and narcan administration (yes/no, if so how many doses needed, who administered it), general location of overdose, if anyone else was present</p>			
Narcan Survey Data Collection & Analysis Plan	<p>Goal of follow-up interview: have an open conversation with an individual who uses or has used opioid and gain their perspective of what the community could do to help users to quit.</p> <ul style="list-style-type: none"> • Open conversation with questions to guide conversation and understand where the individual is at during time of interview (in terms of opioid use and phase of recovery) • Different perspectives for different phases • What are the biggest challenges facing opioid users in this community? • Tell their story 	<p>Conversation to be continued</p>		
Goals & Objectives	<p>Ideas for goals:</p> <ul style="list-style-type: none"> • Engage with more individuals who are past/active users of opioids (overall in our harm reduction pillar) • Increase input from users/past user in Harm Reduction Pillar goal to have 2 members – we need their voice • Non-judgmental environment where community members can 	<p>Group consensus is to schedule a follow-up meeting to write goals & objectives as a group (see below)</p>		

	<p>remain anonymous</p> <p>Consider: group to write an elevator speech</p>			
Next Meeting	<p>Harm Reduction 2018 Goals & Objectives</p> <p>Wednesday, January 31st</p> <p>At 8:30 – 10:00 AM</p> <p>Location: DSS – To be determined</p>	Come ready to write goals and objectives!	everyone
